

Kelvin Wong

Senior Market Analyst, APAC

Based in Singapore, Kelvin Wong is a well-established senior global macro strategist with over 15 years of experience trading and providing market research on foreign exchange, stock markets, and commodities.

Passionate about connecting the dots in the financial markets and sharing perspectives around trading and investment, Kelvin Wong is an expert in using a unique combination of fundamental and technical analyses, specializing in Elliott Wave and fund flow positioning, to pinpoint key reversal levels in the financial markets.

In addition, over the last ten years, Kelvin has conducted numerous market outlook and trading-related seminars, as well as technical analysis training courses, for thousands of retail traders.
